Community of Interest

Agenda Items

1300-1310	ADM Updates	Inform
-----------	--------------------	--------

- ▲ Updates and strategic insights

1310-1325	Chair Updates	Inform
-----------	----------------------	--------

- ▲ Update on key priorities and focus areas

1325-1425	Topic 1: Operation Cache Coin & Condor (Jeanie Gilmore & Roberto Artiga, Calgary Police Service)	Inform
-----------	---	--------

- ▲ The Calgary Police Service will present two landmark investigations showcasing the evolving landscape of cyber-enabled financial crime. Both cases reveal how technology is weaponized for financial exploitation and disruption, underscoring the critical role of cross-agency collaboration, undercover operations, and advanced forensic techniques. Together, they demonstrate law enforcement's growing capability to confront digital threats that transcend borders. Attendees will gain valuable insight into investigative innovations and the importance of public vigilance in combating online fraud.

1425-1450	Topic 2: Failing Fast and Staying Safe (Daniel Cherrington, Government of Alberta)	Inform
-----------	---	--------

- ▲ This presentation explores how to balance speed and safety in AI adoption by examining key challenges, lessons learned, and the guardrails needed for secure, responsible, and strategic implementation.

1450-1455	Questions, Upcoming Events and Next Meeting	Discuss
-----------	--	---------

- ▲ The 2nd Quantum Tech Talk has been rescheduled on November 12, 2025, while the last COI monthly meeting this year will be held on December 3, 2025.

1455-1500	Closing
